

StowAway Cargo Box Cover Instructions & Care:

- 1.** If necessary, lay the cover in the sun to get the wrinkles out.
- 2.** Match the side panels with the StowAway, the short side should go toward the front (latch side) of the box. Pull the cover over the box.
- 3.** To clean, hand wash with sponge and mild soap in lukewarm water.
- 4.** Rinse well and hang dry or wipe with dry cloth.

DO NOT TRAVEL WITH COVER ON unless you bungee cord or fasten it securely in place. It might fly off otherwise.
